## Saxons Named o Pioneer League Basketball Team

Tony Mance, the hard hitting Saxon guard for Bill Wood's 59 edition of the North High Varsity hoopers, made history Friday when officials of the Pioneer League announced the 1959 All-League selections. Mance was named to the first team, the only Saxon to be so honored.

Joining Mance on the first team are Buster Mann of Beverly Hills, Jim Machado of Culver City, Gordon Martin, Hawthorne's sensational 29 point average; and Larry Balliett of Morningside.

Gary Little of North earned second string honors along with Beverly's Byron Lapin, Tom Grates, Morningside; Bob Harrick, El Segundo; and Bruce Zeedik and John Boyd, both of Morningside. Both teams are all seniors.

Mance shattered several records during the playing season as he racked up 385 points for an all time high at North. He also broke the old varsity record for a single game of 23, set by Don Frather, when he scored 31 points against Beverly Hills in the season final.

## El Cam-Mt SAC Dual For First

After clinching a tie for first place in the Southern California Junior College Conference in dual meet competition with a 6-0 mark, El Camino College wrestlers will seek undisputed first place when they journey to Mount San Antonio College.

The Mountie match will mark the Warriors' final wrestling meet of the season.

El Camino's matmen scored their eighth consecutive triumph and eleventh in twelve meets by smashing rugged San Diego State Frosh 18-9.

## Warriors Will Meet Trojans In Diamond Dedication Ball Game

El Camino College will dedicate a brand new baseball diamond at 3:00 p. m. March 4 against the defending NCAA baseball champions, the powerful University of Southern California Trojans.

Highlighting the dedication ceremonies on the western

most portion of the campus facing Manhattan Beach Blvd. will be the appearance of Dr. Stuart E. Marsee, president of El Camino College, who will throw out the first ball on the new diamond. Although admittedly out of condition since his oldest son retired from Little League baseball ranks, the college president plans intensive workouts under guidance of Warrior hurlers in preparation for his mound debut. He is still undecided whether to toss a slow curve or whether to play it safe and get maximum mileage from a fast ball.

For the El Camino College squad it will be an exceptionally proud day; not only will the new field be dedicated but this will mark the first time that the mighty Trojan team has ever played a baseball game against a junior college squad.

Last season the Trojans won the College World Series, and from that strong crew only three men are missing. One of the trio that won't be there to cause Coach Chuck Freeman's grief is outfielder Ron Fairly, who is trying to make the jump from the USC campus to Los Angeles Dodgers this season.

THE NEW field, to quote Coach Freeman, "is as fine a college diamond as I have ever seen; and we of the baseball team are proud and happy with it." The field is fenced all the way around and offers a challenge to the hitters to hit many home runs over its wire fence. The distance from home plate to left field measures 350 feet. It will take a belt of 385 feet to reach the wall in deepest center field, and the right field screen is some 300 feet from the plate.

**EARLY SEASON WORKOUTS . . .** Coach Chuck Freeman of the El Camino College baseball nine looks at new equipment and a new home plate with third baseman Jerry Helvey (left) and first sacker Stan Beard. The Warriors will open their brand-new baseball field March 4 against the University of Southern California.
